Connecticut	Louis Corsino (860) 424-3544 louis.corsino@ct.gov	Connecticut Department of Energy and Environmental Protection	<p>On April 26, 2018, Connecticut submitted its final mitigation plan to Wilmington Trust. Applications for the first round of funding under Connecticut's Diesel Emissions Mitigation Program were accepted between May 30, 2018 and July 31, 2018 for Eligible Mitigation Action Options 1-8. Both non-government and government entities were eligible to apply for funding. A total of \$12.18 million was awarded to fund ten clean air projects in Connecticut. Some of the awarded projects include 14 electric transit/shuttle buses, 17 CNG refuse trucks, a diesel ferry repower, and multiple diesel school bus and truck replacements. Information on all awarded projects can be found at www.ct.gov/deep/vw on the "Administrative Archives" Page. The goal is to announce a new round of funding sometime in 2019. Please sign up for CT's VW Email list in order to be notified of future opportunities under the program.</p> <p>http://www.ct.gov/deep/vw</p> <p>CT final mitigation plan</p>

South Dakota	Barb Regynski Barb.Regynski@state.sd.us	Department of Environment and Natural Resources	<p>The South Dakota Department of Environment and Natural Resources (DENR) is announcing Round One of the VW truck program. During Round One there will be approximately \$507,812 of Volkswagen trust funds available for replacing trucks. The program provides rebates to assist state and local governmental agencies in purchasing new Class 4-8 local freight trucks to replace old, high-emitting diesel trucks. The primary goal of South Dakota’s VW Environmental Mitigation Trust Program is to facilitate the improvement and protection of the ambient air quality throughout South Dakota. Information about the program is available at: https://denr.sd.gov/des/aq/aaVWtrucks.aspx</p> <p>HB1258 https://sdlegislature.gov/Legislative_Session/Bills/Bill.aspx?Bill=1258&Session=2019</p> <p>Clean Diesel Program Webpage https://denr.sd.gov/des/aq/aadera.aspx</p>
