Oklahoma	Heather Lerch (405) 702-4100 vwsettlement@deq.ok.gov	Oklahoma Department of Environmental Quality, with the Office of the Secretary of Energy and Environment serving as oversight authority.	<p>Oklahoma has released its draft Beneficiary Mitigation Plan and will accept comments for 30 days (see link in previous column). The website contains presentation slides from the first public meeting, which was held on December 5, 2017. At the bottom of the website, there is a link to sign up for the VW settlement mailing list. http://www.deq.state.ok.us/aqdnew/vwsettlement/index.htm</p> <p>Oklahoma submitted a BMP to the trust on June 8, 2018. Funding programs will roll out in phases; Phase I is in the planning stage and includes DERA, an Alternative Fuel School Bus Program, and the ZEV Infrastructure Program. Oklahoma released RFPs for the DERA and Alternative Fuel School Bus Programs, both of which will be accepting project applications from October 17 - December 20, 2018. An RFP for ZEV Infrastructure funding was released November 29, 2018 and applications will be accepted until March 1, 2019. More information is available on the website. http://www.deq.state.ok.us/aqdnew/vwsettlement/index.htm</p>
Oregon	Gerik Kransky (503) 229-5177 gerik.kransky@state.or.us Andrew Dick (503) 986-3839 andrew.e.dick@odot.state.or.us For ZEV Investment Fund	Oregon Department of Environmental Quality	Oregon DEQ has posted its Initial Mitigation Plan for use of Environmental Mitigation Funds. Per legislative direction, the initial plan is to focus on upgrading diesel powered school buses either by replacement or installation of advanced exhaust controls. The plan will target 450 buses at minimum that have been selected in a random draw (see website). The state has requested funds from the Oregon allocation. DEQ will commence engaging with school districts as early as summer 2018 and afterward proceeding over the next four years to complete this portion of the plan. DEQ anticipates the Oregon Legislature will convene in 2019 to consider additional priorities and criteria for selection of future mitigation actions.

Texas	Jessica Fleming (512) 239-4904 jessica@tceq.texas.gov	Commission on Environmental Quality	The Texas Commission on Environmental Quality (TCEQ) is currently accepting comments on its Draft Beneficiary Mitigation Plan for Texas. The comment period ends October 8, 2018. The TCEQ will then prepare its final plan and submit the plan to the Trustee. The first grant funding solicitations may then be opened late 2018 or early 2019. For copies of the draft plan and information on Texas' program, visit the TCEQ's VW website. http://www.texasvwfund.org/

Vermont	Heidi Hales (802) 498-7338 Heidi.hales@vermont.gov Deirdra Ritzer (802) 233-0852 Deirdra.ritzer@vermont.gov	Agency of Natural Resources	The Vermont Agency of Natural Resources released its final Beneficiary Mitigation Plan on May 29, 2018. The Plan, and other information regarding Vermont's implementation of the mitigation trust is available at http://dec.vermont.gov/air-quality/vw . For FY2019, the Vermont legislature has restricted the use of Vermont's allocation of the mitigation trust funds to funding only zero-emission technologies and investments in EVSE. Therefore, vehicle or equipment replacements with non-electric technology will not be allowed in FY2019. Activities for FY2019 include the launch of an EVSE Grant Program and an Electric School and Transit Bus Pilot Program. http://dec.vermont.gov/air-quality/vw EVSE Grant Program http://accd.vermont.gov/community-development/funding-incentives/electric-vehicle-supply-equipment-evse-grant-program
Virginia	vwmitigation@deq.virginia.gov DEQ Air Division	Department of Environmental Quality	Virginia submitted a Beneficiary Mitigation Plan to the Trustee on August 9, 2018. DEQ awarded a contract to EVgo Services to develop a statewide public electric vehicle charging network.
